**ADOPTION OF GUIDELINES FOR PREPARATION AND SUBMISSION OF
CONSOLIDATED WORKPLAN FOR THE HEALTH SECTOR BY EDO STATE**

I am pleased to inform you that Edo State has officially adopted the Health Sector Strategic Blueprint (HSSB) Annual Operational Planning (AOP) Framework Guidelines issued by the Federal Ministry of Health and Social Welfare. This important step is aimed at streamlining the development and submission of the state's consolidated work plan for the health sector.

The HSSB framework guidelines provides a structured methodology for planning, coordinating, and executing health programs and initiatives within Edo State. Its adoption is expected to enhance efficiency, ensure alignment with national health priorities, and improve the quality and accessibility of healthcare services across Edo State.

This circular serves as a formal notification of Edo State's adoption of the guideline for preparation and submission of consolidated work plan for the health sector.

Please accept the assurances of my esteemed regard.

Dr. Cyril Adams Oshiomhole
Honorable Commissioner for Health
