Produced By;
PS/Accountant General,
Office of the Accountant General,
Ministry of Finance,
Edo State.

RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Financial Statements for the year ended **31st December**, **2024** at pages 1-9 and the accompanying notes contained in this booklet have been prepared in accordance with the International Public Sector Accounting Standards (**IPSAS-Accrual Basis**). Responsibility for the integrity and objectivity of the Financial Statements rests entirely with the State Government.

To fulfil accounting and reporting responsibilities, the Accountant-General is responsible for establishing and maintaining an adequate system of internal control designed to provide reasonable assurance that the transactions recorded reflect the use of all public financial resources by the Government.

In my opinion, these financial statements reflect the financial position of Edo State Government as at **31st December, 2024** and its operations for the year ended on that date.

EDO STATE GOVERNMENT OF NIGERIA

AUDIT CERTIFICATE

I have examined the Statements of Financial Position, Financial Performance, Cash Flow and Changes in Net Assets/Equity together with the supporting documents of Edo State Government as at 31st December, 2024 in accordance with section 125 sub-section 2 of the Constitution of the Federal Republic of Nigeria 1999 (as amended) and section 27 of Edo State Audit (Repeal) Law, 2021.

In addition, I have obtained information and explanations that to the best of my knowledge, was relevant and necessary for the purpose of carrying out the audit in accordance with International Standards on Auditing. This Audit has provided me with reasonable evidences and assurances which formed the basis for my independent opinion.

In my opinion, the Statement of Financial Position, all other Statements and the Supporting Accounts prepared in accordance with IPSAS accrual show a true and fair view of the state of affairs of Edo State Government as at 31st December, 2024.

SPECIAL OPINION:

The State is eligible to receive performance-based loan financing from World Bank subject to performance against predefined criteria in the World Bank assisted Edo Basic Education Sector and Skills Transformation (EdoBESST) Program-for Results (IDA Credit No.6764-NG). The Expenditure frameworks (and Receipts) are detailed out in SPL Note 19 in the attached General Purpose Financial Statements of Edo State Government. In my opinion, SPL NOTE 19 represents fairly, in all material respects. the expenditures incurred (and funds received) against the EdoBESST Program by the State for the year ended 31st December, 2024 in accordance with IPSAS accrual as described in the Statement of Accounting Policies No. 1 Page XIV of Edo State General Purpose Financial Statements.

Edo State Government of Nigeria General Purpose Financial Statements (GPFS) Statement of Accounting Policies (IPSAS Accrual Basis)

Introduction

In line with the adoption of the International Public Sector Accounting Standards (IPSAS) in Nigeria, a Standardized National Chart of Account (NCOA) alongside a set of General Purpose Financial Statements (GPFS) have been designed and introduced for adoption in Edo State. The State commenced the adoption of IPSAS in January 2014.

The standardized COA and the GPFS have become necessary to ensure uniformity in public sector accounting reporting in Nigeria which is a fundamental prerequisite towards adopting IPSAS.

In order to ensure an effective and efficient utilization of the COA and GPFS, Accounting Policies have been developed by the state government as a set of guidelines to direct the Processes and Procedures relating to financial reporting in the state government financial statements.

The Accounting Policy shall be subject to periodic review and update as shall be deemed necessary by the relevant bodies.

1. Basis of Preparation and Legal Provisions

The State Government General Purpose Financial Statements are prepared under the historical cost convention and in accordance with International Public Sector Accounting Standards (IPSAS) and other applicable standards as defined by Public Financial Management/Fiscal Responsibility (PFM/FR) Law as required by the Financial Reporting Council of Nigeria. In addition, the GPFS are in compliant with the provisions of the Finance (Control and Management) Act 1958 now CAP.144LFN, 1990, the Financial Instructions (2017) and other relevant legal requirements.

2. Fundamental Accounting Concepts:

The following fundamental accounting concepts have been taken as the basis of preparation of Edo State General Purpose Financial Statements:

- Accrual accounting concept
- ii. Going concern concept
- iii. Consistency concept
- iv. Understandability concept
- v. Materiality concept
- vi. Relevance Concept
- vii. Prudence Concept
- viii. Completeness etc

3. Accounting Period

The accounting year of the State Government Financial Statements (fiscal year) is from 1st January to 31st December. Each accounting year is divided into 12 calendar months and are set up as such in the accounting system.

4. Reporting Currency

The General purpose Financial Statements (GPFS) are prepared in Nigerian Naira.

5. Principal Statements in the GPFS

The **GPFS** is comprised of the following statements:

- a. Statement 1 Statement of Financial Performance
- b. Statement 2 Statement of Financial Position
- c. Statement 3 Statement of Cash Flow
- d. Statement 4 Statement of Net Assets/Equity
- e. The Notes to the GPFS

6. MDA for Consolidation

The Consolidation of the GPFS are based on the financial transactions of all Ministries, Departments and Agencies (MDAs) of the state Government except Government Business Enterprises (GBEs).

7. Notes to the General Purpose Financial Statements

The notes to the GPFS have been presented in a systematic manner. The items in the statements are cross referenced to any related information in the notes. The notes follow the prescribed format provided in the standardized General Purpose Financial Statements.

8. Comparative Information

The General-Purpose Financial Statements (GPFS) have been designed to disclose all numerical information relating to previous period (at least one year).

9. Budget Figures

These are figures from the approved Annual Budget and Supplementary/Revised Budget as approved in accordance with the Appropriation Law of Edo State Government for the current year.

10. Revenues

These are inflows within the financial Year. They comprise receipts from

Statutory Allocation (FAAC) and Internal Revenue.

• External Assistance (Bilateral and Multilateral Agencies), Other Aids and Grants and other

borrowings, Capital receipts,

Receipt from trading activities and other incomes.

These items have been disclosed at the face of the Statement of Financial Performance for the year in accordance with the standardized Notes to GPFS. Other revenue consists of Audit fees and miscellaneous receipts

11. Aids and Grants Received

Aids and Grants are funds received from donor agencies, FGN and others. They are recognized in the Statement of Financial Performance when received.

12. Subsidies, Donations and Endowments

Subsidies, Donations and Endowments to Edo State Government are recognized as income when money is received, or entitlement to receive money is established; except where fulfillment of any restrictions attached to these monies is not probable.

13. Transfers from Other Government Entities

Revenues from non- exchange transactions with other government entities are measured at fair value and recognized on receipt of the assets (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and measurable.

14. Expenses

All expenses are reported on an accrual basis, i.e. all expenses are recognized in the period they are incurred or when the related services are enjoyed, irrespective of when the payment is made. These are recurrent and capital cash outflows made during the financial year and are reported in the statement of financial performance and position. Expenditures of capital nature (PPE) are treated as Fixed Assets in the Statement of Financial Position in the year. At the end of the financial year, a schedule of Fixed Assets is provided as part of the Notes to GPFS.

15. Employee Entitlements:

Under the Contributory Pension scheme, Edo state government makes pension contributions on behalf of employees in line with Pension Act 2014. The contributions are treated as payments to a Contributory pension scheme.

A Contributory pension scheme is a pension scheme under which fixed contributions are paid into a separate pension entity fund managed by Pension Fund Administrators (PFAs)

The contributions are recognized as employee benefit expense when they are due and paid Contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

16. Interest on Loans

Actual Interest on loans and other bank commissions charged on Bank Accounts during the year have been treated as payments and disclosed under interest payment in the Statement of Financial Performance.

17. Foreign Currency Transactions

Foreign currency transactions throughout the year have been converted into Nigeria Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions. Foreign currency balances, as at the year-end are

translated at the exchange rates prevailing on that date. At the end of the financial year, additional amounts arising out of Foreign Exchange gain/losses are recognized in the Statement of Financial Performance either as revenue or expenditures respectively. However, where the difference in exchange rate at the end of the year is as a result of severe devaluation or depreciation of the currency against which there is no practical means of hedging it is added to the carrying amount of the related assets in accordance with the provision of IPSAS 4 paragraph 31.

18. Minority Interest

This represents share of surplus/deficit due to outsiders/3rd parties during the year under review. There is currently no such interest in Edo State.

19. Statement of Cashflow

This statement is prepared using the direct method in accordance with the format provided in the GPFS. The cashflow statement consists of three (3) sections:

- a. Operating activities: This includes cash received from all government income sources and records the cash payments made for the supply of goods and services.
- b. Investing Activities: these are the activities relating to the acquisition and disposal of non-current assets.
- c. Financing Activities: these comprise the change in equity and debt capital structure of the State government.

20. Cash and Cash Equivalent

Computer Software

ii. Research and development Intangible Assets are tested for impairment and amortized on an annual basis as shown in number 26 above.

29. Deposit

Deposits are amounts received in advance in respect of goods or services provided.

30. Loans and Debts

Receipts from loans are funds received from Internal/External sources to be paid back at an agreed period of time. External loans are categorized either as Bilateral or Multilateral. Loans received are disclosed separately under the Statement of Financial Position for the year which could either be short or long-term loans. Short-term loans are those repayable within one calendar year, while long-term loans are debts which fall due beyond one calendar year.

31. Unremitted Deductions:

These are monies owed to third parties such as tax authorities, schemes, and associations and other government agencies. These include: tax deductions and other deductions at source.

These amounts are stated in the GPFS at their repayment value which are treated as current Liabilities in the Statement of Financial Position.

32. Accrued Expenses:

These are monies payable to third parties in respect of goods and services received. An accrued expense for which payment is due in the next 12months is classified as current Liabilities. Where the payments are due beyond the next 12 months, it is accounted for as Non-current Liabilities.

33. Current Portion of Borrowings:

This is the portion of the long –term loan/borrowings that is due for repayment within the next 12 months. This portion of the borrowings is classified under current liabilities in the statement of Financial Position.

34. Public Funds:

These are balances of Government funds at the end of the financial year. They are classified under the Non- current Liabilities in the statement of Financial Position.

35. Reserves

Reserves are classified under Equity in the Statement of Financial Position and include: Statement of Financial Performance surpluses/(deficit) and revaluation reserve for the year.

36. Contingent Liability:

A contingent liability is a possible obligation arising from past events whose existence will be confirmed only by uncertain future event(s) or present obligation arising from past events that are not recognized because either an outflow of economic benefit is not probable or the amount of the obligation

cannot be reliably measured. This can only be disclosed in the notes to the GPFS.

37. Leases

Cash payment for Finance leases, which effectively transfer to the Government substantially all the risk and benefits incidental to ownership of the leased item, are treated as capital payments which are disclosed in the Statement of Financial Position.

38. Financial Instruments:

These form part of the Government's everyday operations which includes Bank Accounts, short term deposits, trade and Account Receivable, trade and account payable and term borrowings, all of which are recognized in the Statement of Financial Position while revenue and expenses in relation to all financial instruments are recognized in the Statement of Financial Performance.

39. Transfers to Other Government Entities

Transfers to other government entities are non-exchange items and are recognized as expense in the statement of Financial Performance.

40. Government Business Activities

Cash Revenues from trading activities are received net (after deducting direct expenses). The total revenues from all trading activities are disclosed in the Statement of Financial Performance. Where gross revenue is received, corresponding payments are charged under a corresponding payment item in the Statement of Financial Performance.

41. Advances

The State Government's policy specifically states that all advances shall be retired before the end of the financial year. However when circumstances occur (including an emergency) where either an advance is given out close to the financial year end or an advance already given could not be retired in the financial year such an advance (or balance outstanding) is reported in the Financial Position.
